

IN THE CLAIMS:

Please amend the claims as follows:

1. **(Currently amended)** A fence assembly for a tablesaw having a work surface, a cutting tool disposed on the work surface, said fence assembly comprising:

 a fence slideably disposed on said work surface and having opposite sides;

 at least one stud disposed on at least one of said opposite sides and projecting outwardly therefrom; and

 a fence face and at least one slot disposed on the at least one of said opposite sides of said fence for removably engaging at least one stud [and] for securing said face fence to said fence.

2. **(Original)** An assembly as set forth in claim 1 including another fence face disposed on the other one of said opposite sides of said fence.

3. **(Original)** An assembly as set forth in claim 1 including a plurality of studs disposed on each of said opposite sides and projecting outwardly therefrom.

4. **(Original)** An assembly as set forth in claim 1 wherein said fence face is metal.

5. **(Original)** An assembly as set forth in claim 1 wherein said fence face is plastic.
